

# MOTO

**GOOD COFFEE / GOOD FOOD / GOOD BEER**

MOTO is a locals' secret. A hidden gem at the entry to Noosa Junction, with a shipping container converted into a bar that serves up excellent locally-roasted coffee, tasty food and a wide range of independent beers.

MOTO is a relaxed café by day, with custom motorbikes on display that are built in their own workshop. On Friday nights the mood changes and MOTO turns into a candle-lit bar serving local craft beers, wines, cocktails and a tasty menu of house-made curries and share plates. Bookings are recommended for groups as this locals' secret has become a popular place!
